INTERNATIONAL CONFERENCE ON MATERIALS FOR A SUSTAINABLE FUTURE

MATCON 2026

2026 December 15-17

Pre-Conference Workshop on
December 14, 2026

Organized by
Department of Applied Chemistry
Cochin University of Science and Technology (CUSAT)
Kochi

TENTATIVE SPEAKERS

Dr. Ajayan Vinu
Laureate Professor and Director,
GICAN
University of Newcastle,
Australia

Dr. Gadi Rothenberg
Professor,
Van't Hoff Institute of
Molecular Sciences,
University of Amsterdam

Dr. Oliver Reiser
Professor & Dean of Research
Institute of organic chemistry
University of Regensburg, Germany

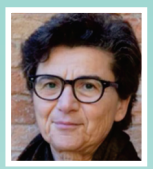
Dr. Haruo Inoue
Professor,
Department of Applied Chemistry,
Tokyo Metropolitan University,
Japan

Dr. Wim Dehaen
Professor
Department of Chemistry,
KU Leuven, Belgium

Dr. Frantisek Hartl
Professor
Department of Chemistry
University of Reading, UK

Dr. Pradeep T
Professor,
Department of Chemistry,
IIT Madras,
Chennai

Dr. K. George Thomas
Professor,
School of Chemistry,
IISER Thiruvananthapuram



Dr. Anna Painelli
Professor of Physical Chemistry,
Parma University,
Italy

Dr. Biju Vasudevan Pillai
Professor
Hokkaido University,
Sapporo, Japan

Dr. Akkattu T. Biju
Associate Professor,
Department of Organic Chemistry,
IISc Bangalore

Dr. Shiju N. R.
Associate Professor,
Van 't Hoff Institute of
Molecular Sciences,
University of Amsterdam

Dr. Biswarup Pathak
Professor
Department of Chemistry
IIT Indore

Dr. Andrea Listorti
Researcher,
University of Bari,
Italy

Dr. Sreekumar Kurungot
Principal Investigator,
National Chemical Laboratory,
Pune

Dr. Subrahmanyam Ch.
Professor,
Department of Chemistry,
IIT Hyderabad

Dr. Sangaraju Shanmugam
Professor,
Department of Energy Science
& Engineering,
Daegu, South Korea

Dr. Sebastian Peter
Professor
Department of Chemistry,
Jawaharlal Nehru Centre for Advanced
Scientific Research (JNCASR), Bangalore

Dr. M. M. Shaijumon
Professor,
School of Physics,
IISER Thiruvananthapuram

Dr. Vibin Ramakrishnan
Professor,
Department of Biosciences
and Bioengineering,
IIT Guwahati

Dr. Kana M Sureshan
Professor
School of Chemistry
IISER Thiruvananthapuram

Dr. Pramod Pillai
Professor
IISER Pune

Dr. Jino George
Assistant Professor,
IISER Mohali

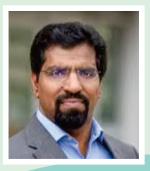
Dr. Putla Sudarsanam
Assistant Professor,
Department of Chemistry,
IIT Hyderabad

Dr. Flavio Emery
Professor,
School of Pharmaceutical Sciences
Ribeirao Preto,
University of São Paulo (FCFRP/USP), Brazil

Dr. Ermal Ismalaj
Research Associate
Molecular and Functional Biomarkers
Radiochemistry & Nuclear Imaging
CIC biomaGUNE, Spain

Dr. Shibu E. S.
Assistant Professor
Dept. of Nanoscience and Technology,
University of Calicut

Dr. Subila K. B.
Assistant Professor
Dept. of Chemistry
IISER Kolkata



Dr. Vinoy Thomas
Associate Professor,
Dept. of Materials Science
and Engineering,
University of Alabama Birmingham (UAB)

Dr. Anu Jacob
Researcher
CIC energiGUNE
Spain

THEMES

1. Green and Sustainable Chemistry
2. Smart framework materials
3. Energy and Photovoltaics
4. Frontiers in Computational Modelling and AI
5. Polymer Science and Engineering
6. Materials for Space Technology
7. Supramolecular Materials and Assemblies
8. Sensors and Biosensors
9. Next generation Nanomaterials
10. Membranes for energy and environmental applications
11. Drug Discovery and Drug Delivery
12. Emerging Techniques in Spectroscopy
13. Catalysis and Synthetic Organic Chemistry
14. Advanced Functional Materials
15. Nuclear Materials
16. Separation Science and Technology

DEADLINES

EARLY BIRD REGISTRATION	25/07/2026
REGULAR REGISTRATION	25/10/2026
INTIMATION OF ACCEPTANCE	30/10/2026

BANK DETAILS

Name: MATCON 2026
A/c No.: 4502 983 6890
IFSC Code: SBIN0070235
MICR Code: 682 002 923
SWIFT Code: SBININBBT30

SCAN & PAY

UPI ID: matcon2026@sbi

Abstract submission and registration fee payment must be completed concurrently to confirm participation in the MATCON 2026 conference.

Please note that the number of oral presentations is limited.

REGISTRATION

	Early Bird Registration		Regular Registration		Spot Registration
	Participation	Invited Delegates/ Oral/Poster	Participation	Invited Delegates/ Oral/Poster	Participation
STUDENTS	₹ 3,000	₹ 3,500	₹ 4,000	₹ 4,500	₹ 5,000
RESEARCH SCHOLARS	₹ 3,500	₹ 4,000	₹ 4,500	₹ 5,000	₹ 5,500
FACULTY	₹ 6,000	₹ 7,000	₹ 7,000	₹ 8,000	₹ 8,000
INDUSTRY	₹ 12,000	₹ 15,000	₹ 13,000	₹ 16,000	₹ 14,000
FOREIGN SCHOLARS	$ 100		$ 150		$ 200
FOREIGN FACULTY	$ 200		$ 250		$ 300

An 18% GST will be applicable in addition to the registration fee.

Accompanying persons are required to register for the conference at 50% charges Further details will be available on the website.

Accommodation Details

Accommodation will be arranged for registered participants of MATCON 2026 on a paid basis, subject to prior request indicated in the registration form.

TRAVEL INFORMATION

By Air:

Cochin International Airport is located approximately 20 km from the campus, with several carriers operating both domestic and international flights. Prepaid taxi services and luxury buses are readily available from the airport, providing convenient connectivity to the Thrikkakara University Campus.

By Rail:

The nearest railway station is Alwaye (10 km). Other nearby stations include Ernakulam Town (12 km) and Ernakulam Junction (15 km). Taxi and bus services are readily available from these stations to reach CUSAT. Additionally, Metro Rail services can be utilized, with convenient access to the CUSAT station from both Alwaye and Ernakulam Town.

Local Organizing Committee

Prof. Junaid Bushiri, Patron, Vice Chancellor, CUSAT
Dr. Sivanandachari, Dean Faculty of Science, CUSAT
Prof. Yoosaf Karuvath, Department of Applied Chemistry (Chairman), CUSAT
Prof. Jayasree E. G., Department of Applied Chemistry (Convener), CUSAT
Prof. Suja Haridas, Department of Applied Chemistry (Convener), CUSAT
Prof. P. M. Sabura Begum, Department of Applied Chemistry, CUSAT
Prof. N. Manoj, Department of Applied Chemistry, CUSAT
Dr. Manoj E., Department of Applied Chemistry, CUSAT
Dr. Kala R., Department of Applied Chemistry, CUSAT
Dr. Sindhu Mathai, Department of Applied Chemistry, CUSAT
Dr. Leena R., Department of Applied Chemistry, CUSAT
Dr. S. Nybin Remello, Department of Applied Chemistry (Co-Convener), CUSAT
Dr. Shandev P. P., Department of Applied Chemistry (Co-Convener), CUSAT
Prof. S. Prathapan, Emeritus Professor, Department of Applied Chemistry, CUSAT
Prof. K. Girish Kumar, Emeritus Professor, Department of Applied Chemistry, CUSAT

Advisory Committee

Prof. Ajayan Vinu, University of Newcastle, Australia
Prof. Aravindakumar, Vice Chancellor, Mahatma Gandhi University, Kottayam, India
Prof. Biju Vasudevan Pillai, Research Institute for Electronic Science, Hokkaido University, Japan
Prof. E. D. Jemmis, Indian Institute of Science, Bangalore, India
Prof. G. Narahari Sastri, Indian Institute of Technology, Hyderabad, India
Prof. Haruo Inoue, Tokyo Metropolitan University, Japan
Prof. K. George Thomas, Indian Institute of Science Education & Research, Thiruvananthapuram, India
Prof. Pradeep T, Indian Institute of Technology, Madras, India
Prof. Sangaraju Shanmugam, Daegu Gyeongbuk Institute of Science and Technology, South Korea
Prof. Wim Dehaen, KU Leuven, Belgium

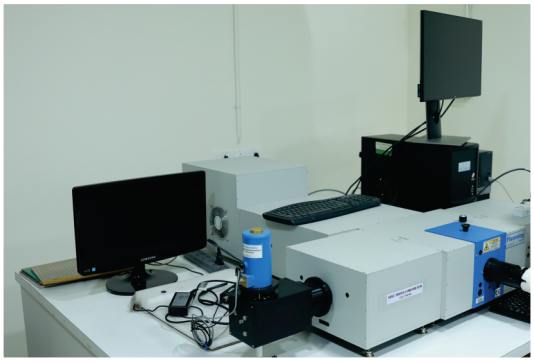
Kochi (Cochin), the "Queen of the Arabian Sea," graces India's southwest coast as the vibrant commercial capital of Kerala, aptly known as "God's Own Country." Renowned as a global spice trading hub since the 14th century, it later emerged as one of the earliest European colonial settlements in India. Today, Kochi seamlessly blends rich heritage with modern growth, hosting premier educational and research institutions alongside thriving industries. The city has gained international recognition through the Kochi-Muziris Biennale, one of Asia's largest contemporary art exhibitions, attracting artists and visitors from around the world. Further strengthening its global outlook, Kochi is part of the Smart Cities Mission, focusing on sustainable urban development and improved quality of life. Owing to its coastal location, Kochi experiences a tropical climate, with December offering relatively mild and moderately humid conditions.

Cochin University of Science & Technology (CUSAT), established in 1971 as the University of Cochin and renamed in 1986 to promote higher education and research in science and technology. The university stands as a beacon of academic excellence and a proud legacy in Indian higher education, emerging as a dynamic multidisciplinary university that nurtures leaders, innovators, and critical thinkers across diverse fields, empowering them to contribute meaningfully to science, technology, and society. With its NAAC A+ accreditation, CUSAT has received several recognitions including the Chancellor's Award for Best University in Kerala and the Chief Minister's Award under the Kerala Institutional Ranking Framework, and it has also been placed in the 1001–1200 band of the Times Higher Education World University Rankings. Spread across three vibrant campuses, with 9 faculties and 29 departments, it thrives as a hub of research, discovery, and global collaboration. Guided by its timeless motto, "Tejasvinavadhitamastu," reflects its commitment to enlightened learning and collaborative pursuit of knowledge, meaning "May our learning be illumined

Our Department of Applied Chemistry (DAC), CUSAT was established in 1976 to play an important role in leveraging the development of the industrial belt in the greater cochin area by providing scientific support and trained personal to the industries and by acting as a catalyst for the establishment of new industries. CUSAT is ranked as top 1 among the state and 3 rd among state universities of India (India today 2025), Advancing to the 1001-1200 band globally according to the times higher education (THE) world university rankings 2026. The department has emerged as one of best centers in chemistry currently offering doctoral, post graduate, integrated degree programs and advanced research.



MATCON 2026 is the 8th international conference of the prestigious MATCON series organized by the Department of Applied Chemistry, CUSAT. As a vital component of the scientific community, the conference aims at exchanging and nurturing innovative ideas of the latest and cutting-edge research among the academicians, scientists and industrialists all over the world. The 3-day international conference will be devoted for invited lectures by eminent academicians and scientists, oral presentations and poster presentations by researchers and budding scientists from various part of the globe.
